Cover Letter

To,
Mr. Som,
“Quickplay Media Pvt Ltd”.

Subject: Commercial Proposal for VMware Enterprise Plus License.

Dear Sir,

At the outset, thank you for extending your support to the Translab Technologies for **VMware Enterprise Plus License** requirement. This proposal includes bill of materials, and commercials.

We are keen to have a business relationship with you and we look forward for a positive response from your side.

I am sure with the kind of technical expertise that Translab has, we can add tremendous value to this relationship.

Thanks, and Regards,
K. Padmavathi

1.Executive Summary

Quickplay has a requirement of Add-on VMware Enterprise Plus License.

2.Proposed Solution

Translab is proposing the required VMware vSphere 7 Enterprise Plus license. vSphere is a cloud computing virtualization platform that includes a set of server virtualization products, with ESXi hypervisor and vCenter functioning as its core components. It allows you to easily create and manage multiple virtual machines (VMs), distribute workloads across clouds and devices, provide on-demand scalability, ensure data security, and build a virtual environment that can comply with your specific business needs. There are multiple versions of vSphere available out of which proposed license is Enterprise Plus.

vSphere Enterprise Plus Edition enhances application performance and enables resource management. This could be considered as a more advanced version of vSphere Standard, and allows rapid deployment and provisioning of workloads, load balancing, as well as establishing the priority of VM resources.

3.Bill of Materials

Product	Part Number	Support End Date	Qty
VMware vSphere 7 Enterprise Plus for 1 processor including 1 year Production SnS	VS7-EPL-C	31 st Aug 2021	16
Production SnS	VS7-EPL-P-SSS-C	31 st Aug 2021	16

4.Commercials

Product	Qty	Price/Unit	Total Price (INR)
VMware vSphere 7 Enterprise Plus for 1 processor including 1-year Production SnS	16	1,00,000	16,00,000
Production SnS - Phantom smart solution	16	40,000	6,40,000
Total			22,40,000

Note: vSphere requires vCenter for it to work. However, it is assumed that Quickplay Media Pvt Ltd already has vCenter at the site and hence not quoted. Also, Installation commercials are not added.
